Board Meeting 7pm

Welcome Back Everyone,

As we move into the second semester, I would like to thank our students, parents, and teachers for your support and hard work thus far. As we all know, creating successful students is a team effort between school and home. I encourage you to continue to communicate with school staff and let us know as questions and concerns arise. We are excited for the coming year and look forward to helping students learn and reach their goals. I wish all of you the best in 2021!

Mr. Zern

Counselor Corner

A Message from

Mrs. Lange

Every Wednesday we celebrate WOW Wednesday here at Eel River.

I recognize one student and one staff member each week for WOW – “Wonderful Otter Wednesday.” Students nominated for the month of December are :

Ruby Mitcham

Jonah Embury

Congratulations to all!!!

Message from the office

We are requesting that first and last names be written on the transportation notes for both the student and the parent. This would help out tremendously to make sure your student goes home the correct way.

Thank you!

Greetings Eel River Families!

4th graders are very excited to start our recorder unit. Students will begin bringing recorders home to practice starting Tuesday, January 5th!

Happy New Year!

Ms. Hibbs
